

1 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
2 urge and request that the fiscal officers of each state agency report to the commissioner of
3 administration, by October 1, 2023, the amount, source, and spending category for any
4 transportation services during Fiscal Year 2022, including direct payments to clients, as well
5 as funds paid to vendors or contractors.

6 BE IT FURTHER RESOLVED that the commissioner of administration shall then
7 compile a summary report that identifies the total amount spent on transportation services
8 by state agency programs and provide the report to the Department of Transportation and
9 Development, public transportation section, by December 1, 2023.

10 BE IT FURTHER RESOLVED that the Department of Transportation and
11 Development, public transportation section, shall examine the data and report to the House
12 Transportation, Highways, and Public Works Committee by February 1, 2024, with a
13 recommendation on how the state can better coordinate and maximize transportation services
14 for the citizens of the state of Louisiana.

15 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
16 commissioner of administration.

DIGEST

The digest printed below was prepared by House Legislative Services. It constitutes no part of the legislative instrument. The keyword, one-liner, abstract, and digest do not constitute part of the law or proof or indicia of legislative intent. [R.S. 1:13(B) and 24:177(E)]

HCR 40 Original

2023 Regular Session

Pierre

Urges and requests state agencies to report fiscal data for program funds spent on transportation services for their clients and that the data be compiled by the commissioner of administration for use in better coordinating transportation services. Requires the commissioner of administration provide a summary report of the collected data to the Dept. of Transportation and Development, public transportation section, by Dec. 1, 2023. Requires the department report their recommendations to the House Committee on Transportation, Highways, and Public Works by Feb. 1, 2024.
