SB 171 Engrossed

DIGEST
2023 Regular Session

Fred Mills

Present law provides for the licensing of pharmacy benefit managers (PBM) by the commissioner of insurance. Proposed law retains present law and requires each PBM licensed by the commissioner to develop a program to provide incentive payments to eligible independent network pharmacies for meeting benchmarks or complying with strategies aimed at improving the health of Louisiana residents covered by the pharmacy benefit manager.

Proposed law provides that the quality incentive program should focus on the health concerns most affecting Louisiana residents, may be designed in consultation with the Louisiana colleges of pharmacy, and may reflect the unique needs of the state as designated by each of the nine La. Dept. of Health regions.

Proposed law provides, that on or before October 1 of each year, a PBM shall report to the commissioner the details of its program and provides for the minimum content of the report. Proposed law further provides that the program shall be implemented on the following January 1.

Proposed law provides, that on or before April 1 of the following year, a PBM shall report to the commissioner the results of its quality incentive criteria from the previous calendar year. Proposed law further provides for the minimum content of the report.

Proposed law provides that the PBM quality incentive program shall be strictly voluntary and no independent network pharmacy shall be penalized for declining to participate.

Proposed law provides for additional parameters of the PBM quality incentive program.

Proposed law shall not be construed to expand the scope of practice of a participating pharmacist.

Proposed law defines "independent network pharmacy" as a pharmacy operating within the state which is a member of a pharmacy benefit manager's network, is considered to be in good standing by the pharmacy benefit manager, and is under common ownership with not more than two other pharmacies.

Effective upon signature of the governor or lapse of time for gubernatorial action.
