

1 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
2 urge and request the State Board of Elementary and Secondary Education and the Board of
3 Regents to collaborate to publish on their respective websites an annual report detailing the
4 degree of public school students' preparation for public postsecondary education.

5 BE IT FURTHER RESOLVED that the Legislature of Louisiana requests that the
6 report include the number and percentage of public high school graduates who enroll in a
7 public postsecondary education institution within one year of graduation and who are
8 required to take a remedial or corequisite course in English or math and the number and
9 percentage of current twelfth-grade students who are not enrolled full-time at a public
10 secondary school, and further requests that the data be provided in the aggregate and by each
11 public school.

12 BE IT FURTHER RESOLVED that the Legislature of Louisiana requests that the
13 report include the number and percentage of public high school students who are dual
14 enrolled and who take career training courses and courses for industry-based certifications,
15 and that the report identify the source of the funds used for the courses and training and the
16 amount from each source, including the Minimum Foundation Program, federal Title I, Carl
17 D. Perkins, and TOPS Tech Early Start.

18 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
19 president of the Board of Regents, the commissioner of higher education, the president of
20 the State Board of Elementary and Secondary Education, and the state superintendent of
21 education.

The original instrument and the following digest, which constitutes no part
of the legislative instrument, were prepared by LG Sullivan.

SCR 37 Original

DIGEST
2023 Regular Session

McMath

Urges and requests the State Board of Elementary and Secondary Education and the Board of Regents to collaborate to publish an annual report on their respective websites that details the preparation of public school students for public postsecondary education.
