2 local government retirement or pension benefits, in addition to working in employment
3 covered under Social Security and paying into the Social Security system; and

4 WHEREAS, the WEP unfairly reduces the earned Social Security benefit using an

7 in employment not covered under Social Security; and

8 WHEREAS, the WEP causes hardworking individuals to lose a significant portion
9 of the Social Security benefits that they earned themselves; and

10 WHEREAS, according to recent Social Security Administration figures, more than
11 one and a half million individuals nationally are affected by the WEP; and

12 WHEREAS, in certain circumstances, both the WEP and GPO can be applied to a

18 jobs, like policemen, firefighters, teachers, and state employees; and

23 as more and more people reach retirement age; and

24 WHEREAS, individuals drastically affected by the GPO and WEP may have no
25 choice but to return to work after retirement in order to make ends meet, but the earnings
26 accumulated during this return to work can further reduce Social Security benefits the
27 individual is entitled to; and

28 WHEREAS, the GPO and WEP are established in federal law, and repeal of the GPO
29 and WEP can only be enacted by congress; and

1 WHEREAS, the Legislature of Louisiana adopted House Concurrent Resolution
2 No. 11 of the 2022 Regular Session memorializing congress to support H.R. 82 of the 117th
