

1 WHEREAS, the department is in the process of improving its data systems and it is
2 urgent that this be completed as soon as possible; more user-friendly systems will help
3 parents and providers access the quality services the state department offers with ease,
4 ultimately helping more young children more easily access quality early childhood care and
5 education throughout the state.

6 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
7 urge and request the state Department of Education to update its early childhood care and
8 education data management systems.

9 BE IT FURTHER RESOLVED that the state Department of Education shall submit
10 a report relative to the status of the improvement of its early childhood care and education
11 data systems to the House Committee on Education and the Senate Committee on Education
12 not later than March 31, 2024.

13 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
14 state superintendent of education and the members of the State Board of Elementary and
15 Secondary Education.
