HB 207 Engrossed

2023 Regular Session

Schamerhorn

Abstract: Creates the crime of unlawful swimming in certain waterways and provides for penalties.

Proposed law provides that it shall be unlawful for any parent or legal guardian who has care and control of a minor, to permit a minor, either knowingly, wilfully, or through criminal negligence to swim in any river that generates hydroelectric power without wearing a Type I, Type II, Type III, or Type V personal flotation device approved by the U.S. Coast Guard.

Proposed law provides for the following penalties:

- (1) On a first conviction, the parent or legal guardian shall be issued a warning ticket, fined not more than \$25, or both.
- (2) On a second conviction, the parent or legal guardian shall be fined not more than \$50, imprisoned for not more than seven days, or both.
- (3) On a third or subsequent conviction, the parent or legal guardian shall be fined not more than \$75 nor more than \$250, imprisoned for not more than 30 days, or both.
