Bill Header: RETIREMENT/FIREFIGHTERS: Provides relative to the board of trustees of the Firefighters' Retirement System

Purpose of Bill: This bill changes the way the retiree board member for the Firefighters' Retirement System (FRS) is elected from a vote of the members of the board to a vote of the retired members and beneficiaries of the system.

I. ACTUARIAL IMPACT ON RETIREMENT SYSTEMS

This section of the actuarial note is intended to provide a brief outline of the changes in plan provisions and actuarial effect on key aspects of the affected retirement systems. This bill does not change benefits or contributions to the plans and therefore has no actuarial impact.

II. FISCAL IMPACT ON RETIREMENT SYSTEMS

This section of the actuarial note pertains to annual fiscal costs (savings) associated with the retirement systems. The proposed legislation is expected to have minimal impact on Firefighters' Retirement System administrative costs. (Prepared by LLA Local Government Services)

This section of the actuarial note pertains to annual fiscal costs (savings) related to administrative expenditures and revenue impacts incurred by local government entities other than those included in Section II.

The proposed legislation is not expected to have any additional effects on fiscal administrative costs and revenues related to local government entities during the five-year measurement period, other than those outlined above.

IV. FISCAL IMPACT ON STATE GOVERNMENT ENTITIES
(Prepared by Legislative Fiscal Office)

This section of the actuarial note pertains to annual fiscal costs (savings) related to administrative expenditures and revenue impacts incurred by state government entities other than those included in Section II.
