Abstract: Requires persons 21 years of age or older convicted of certain offenses against minors to register with local law enforcement agencies.

Proposed law requires a person 21 years of age or older residing in the state who has been convicted of any of the following offenses where the victim is a minor, as defined in present law (Ch.C. Art. 116) to register with the sheriff the person's residence, or residences, if there is more than one, and with the chief of police if the address of any of the person's residences is located in an incorporated area which has a police department:

- (1) R.S. 14:34 (Aggravated battery)
- (2) R.S. 14:34.7 (Aggravated second degree battery)

Proposed law provides that persons required to register pursuant to proposed law shall appear in person at the appropriate law enforcement agency within 30 business days of establishing a new or additional physical residential address or of changes in information previously provided when any of the following occur:

- (1) The offender changes his place of residence or establishes a new or additional residence.
- (2) The offender has vacated his current address of registration with the intent not to return.
- (3) The offender has been absent from his current address of registration for more than 90 consecutive days or an aggregate of 90 days or more per calendar year and is physically present at another address during that same time period.
- (4) The offender has a change in name.

Proposed law provides that any person who fails to register, periodically renew and update registration, provide proof of residence or notification of change of address or other registration information, as required by proposed law, and a person who knowingly provides false information to the appropriate law enforcement agency, shall be fined not more than \$1,000, imprisoned for not more than six months, or both.

Proposed law requires persons to register as long as they are under an order of imprisonment for a first, second, or third offense and for the duration of the lifetime of the offender for a fourth or

subsequent offense, unless the underlying conviction is reversed, set aside, or vacated.

Proposed law does not apply to any person who obtained an expungement pursuant to present law.
