EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this bill.

REVENUE EXPLANATION

This bill may increase local fund revenue by \$70,000 to \$80,000 annually, depending on the number of cases and the fee amount imposed.

The bill increases the maximum fee imposed by the City Court of Hammond (Court) from \$10 to \$20. Information from the Court indicates that the current \$10 fee has generated an average annual revenue of \$76,000 between fiscal years 2018 to 2022, ranging from \$62,000 to \$82,000 each year. Based on this information, the \$10 fee increase could potentially generate an additional \$70,000 to \$80,000 annually for the Court. However, the exact amount of revenue increase is uncertain as it depends on the number of cases in which the fee is imposed and the actual fee amount imposed.
