SB 98 Reengrossed

2023 Regular Session

Carter

Proposed law provides for any person 18 to 40 to give written consent and indicate their intention to donate bone marrow on their driver's license application. Proposed law further indicates applicants that give consent will allow their genetic information to be obtained and stored in a national database and accessible by cancer doctors.

Proposed law provides for an effective date of July 1, 2024 for implementation of the provisions of proposed law by the office of motor vehicles.

Effective July 1, 2024.
