EXPENDITURE EXPLANATION

Proposed law is anticipated to result in a minimal increase in Federal expenditures associated with travel reimbursements and administrative support. The proposed law creates the LA Interagency Council on Homelessness within the Office of the Governor. The council shall be comprised of up to 26 members. The proposed law allows the six (6) council members appointed by the Senate and House Health and Welfare Committees and the two (2) members appointed by the LA Housing Corporation to receive per diem for attendance at council meetings.

The proposed law requires the LA Housing Corporation to pay the per diem and provide administrative support, which includes staffing and facility resources. The LA Housing Corporation anticipates \$1,600 per diem expenditures (8 council members x \$50 per diem x 4 meetings) and \$3,600 for personnel costs of two employees working 40 hours annually to support the council (i.e. quarterly meetings, state plan, and annual reports). The fiscal note presumes these minimal costs will be absorbed within the agency's existing operating budget.
