

## **RÉSUMÉ DIGEST**

**HCR 127**

**2023 Regular Session**

**Magee**

Urges and requests the Dept. of Economic Development, in consultation with the Louisiana Workforce Commission, to evaluate the state's business advantages, economic climate, and workforce readiness to compete in attracting offshore wind energy supply chain industries to the state.

Requests a written report to the legislature no later than Feb. 1, 2024.
