ACT 211 (SB 202)

2023 Regular Session

Barrow

Existing law provides for the Campus Accountability and Safety Act, relative to power-based violence at public postsecondary institutions, including preventing the behavior from occurring and addressing any incidents that occur. Provides for reporting of incidents, campus security policies, coordination with local law enforcement, safety education, surveys, and disclosure of campus crime statistics. Provides for the La. Power-Based Violence Review Panel.

New law makes technical changes in existing law.

Existing law requires each institution to have a memorandum of understanding (MOU) with each local law enforcement and criminal justice agency located within the parish of the campus of the institution. Requires the MOU to include specified provisions, to be signed by all parties, and to be reviewed annually by each institution's chancellor and Title IX coordinator and the executive officer of the criminal justice agency.

New law retains existing law and requires the head of a law enforcement or criminal justice agency to execute any proposed MOU within 30 days of receipt.

Existing law requires the Board of Regents to develop an instrument to survey students at each institution relative to power-based violence. Requires each institution to conduct the survey anonymously at three-year intervals, beginning with the 2022-2023 academic year.

New law requires the Board of Regents to submit a written report on the survey results, to be included in the power-based violence report pursuant to existing law.

Effective June 8, 2023.
