

## **RÉSUMÉ DIGEST**

**ACT 307 (HB 344)**

**2023 Regular Session**

**Selders**

New law prohibits parish and municipal governing authorities from requiring any person who is an account holder with an authorized utility provider and whose account is being charged by the provider for electric services provided to a dwelling located in the state to acquire a permit to change the name of the person listed as the account holder.

Effective August 1, 2023.
