

RÉSUMÉ DIGEST

SCR 11

2023 Regular Session

Pope

Requests the commissioner of administration, through the office of state buildings, to implement expansion of the Louisiana Veterans Memorial Park under the Capitol Complex Master Plan, as envisioned in the Capitol Park Interpretive Plan, particularly as it relates to the demolition of the old state insurance building parking garage, and converting that space for additional planned parking space for Capitol Park visitors; also requests construction of a parking garage on the site of the existing surface parking lot between the Capitol Annex and the Claiborne Building.

Further requests the commissioner of administration, through the office of state buildings, to provide for the maintenance of the monuments and sculptures located within the Capitol Park and on the State Capitol.

Provides that a copy of the Resolution be transmitted to Commissioner of Administration, Jay Dardenne.
