

RÉSUMÉ DIGEST

HCR 120

2023 Regular Session

Davis

Creates a subcommittee of the House Committee on Health and Welfare; the Senate Committee on Health and Welfare; the House Committee on Insurance; and the Senate Committee on Insurance to study the practices and policies related to educating, preventing, and treating nonmelanoma skin cancer and to promote awareness among Louisiana residents.

Requests a report of its findings by Dec. 1, 2024.
