

RÉSUMÉ DIGEST

HR 290

2023 Regular Session

Hodges

Urges and requests the Dept. of Transportation and Development (DOTD) to evaluate all potential areas of the upper Amite River Basin on the potential to detain or retain stormwater as well as provide estimates of associated costs and a completion date. Requires the DOTD to provide a written report detailing the completion timeline and funding requirements for evaluation of the upper Amite River Basin to the chairman of Senate and House transportation committees by Jan. 1, 2024.
