HB 10 Original

2024 First Extraordinary Session

Jackson

**Abstract:** Provides relative to filing duplicative financial disclosure statements after qualifying for office.

Present law (R.S. 42:1124, 1124.2, and 1124.3) requires certain elected officials, certain public servants, and members of certain boards and commissions to file either a Tier 1, Tier 2, or Tier 3 financial disclosure statement with the Board of Ethics. The required filing tier is determined by the person's office or position. Proposed law retains present law.

Present law (R.S. 18:1495.7) provides that any person who becomes a candidate for an office requiring the filing of a Tier 1, Tier 2, or Tier 3 financial disclosure statement shall file the required financial disclosure statement within three business days after the close of qualifying for that office. Proposed law retains present law.

Present law provides that a candidate satisfies the filing requirement if he had previously filed the financial disclosure statement for the same office for which he is a candidate.

Proposed law instead provides that if the person holds an office or position that requires filing of the same disclosure required of him as a candidate, such filing satisfies his filing requirement as a candidate.
