2024 Regular Session

Willard

Abstract: Repeals the termination date of the La. Fortify Homes Program.

Present law provides for the La. Fortify Homes Program within the La. Dept. of Insurance. Generally authorizes the commissioner of insurance to make financial grants to retrofit roofs of insurable property with a homestead exemption to resist loss due to catastrophic events or to meet or exceed certain fortified home standards.

Present law terminates the La. Fortify Homes Program at midnight on June 30, 2025.

Proposed law retains present law but repeals program termination and the termination date.
