HB 150 Original

2024 Regular Session

Travis Johnson

Abstract: Establishes the domicile of the Delta Agriculture Research and Sustainability District and requires that any district director hired after a certain date establish residency in the district within a specified period.

Proposed law specifies that Concordia Parish is the domicile of the district.

Present law requires that a district director hired after July 1, 2023, be a resident of the state and have been domiciled in the district for the preceding two years prior to employment.

Proposed law modifies present law by requiring that any district director hired after July 1, 2024, be a resident of the state and establish residency in the district within three months after being hired by the board, if not already a resident of the district.
