HB 151 Original

2024 Regular Session

Orgeron

Abstract: Increases the number of nominations made by the Lafourche Parish government and the number of appointments made by the governor from that list.

Present law establishes the North Lafourche Conservation, Levee and Drainage District and provides for the appointment of a board of commissioners based on nominations made by certain state legislators and the governing authorities of Lafourche Parish, Thibodaux, and Lockport.

Proposed law retains present law.

Present law provides for the appointment of one commissioner from a list of three nominees submitted by the governing authority of Lafourche Parish.

Proposed law increases the number of nominees that must be submitted by the Lafourche Parish government from three to five and increases the governor's appointments from Lafourche Parish nominees from one to two commissioners.
