HB 485 Original

2024 Regular Session

McMahen

Abstract: Modifies the definition of "clinical phase of nursing education".

Present law defines "clinical phase of nursing education" as those nursing courses that require a student to provide nursing care, under faculty supervision, to individuals, families, and communities in diverse health care settings.

Proposed law removes "diverse" from the present law definition of "clinical phase of nursing education".

(Amends R.S. 37:913(6.1))
