DIGEST

SB 223 Original

2024 Regular Session

Owen

Present law provides for the regulation of alcoholic beverages by the Dept. of Revenue, office of alcohol and tobacco control.

Present law defines "solicitor" as any person who offers for sale or solicits any orders for the sale of any regulated beverage, other than in a regularly established and licensed place of business in this state, for delivery or shipment to any point in the state, whether done as owner, agent, or servant.

Present law defines "dealer" as any person who, as a business, manufactures, blends, rectifies, distills, processes, imports, stores, uses, handles, holds, sells, offers for sale, solicits orders for the sale of, distributes, delivers, serves, or transports any alcoholic beverage in the state or engages herein in any business transaction relating to any such beverage.

Proposed law provides that the employee of a dealer is not a solicitor.

Effective August 1, 2024.
