**Abstract:** Increases the penalties for violations committed by a person acquiring tax sale title of property from 5% of the price paid by the acquiring person for tax title and 5% of any amounts paid by the tax debtor who is the owner of and who is residing in the tax sale property for rental or lease payments to 20% of the price paid by the acquiring person for tax title and 20% of any amounts paid by the tax debtor who is the owner of and who is residing in the tax sale property for rental or lease payments.

Present law (R.S. 47:2121 et seq.) provides the procedures for the payment and collection of property taxes, including the procedures for the sale of property for the collection of delinquent ad valorem property taxes.

Present law (R.S. 47:2158) provides that when necessary to comply with an order of a political subdivision for the purpose of enforcing property standards, upon the presentation of the order and a certified copy of a tax sale certificate for immovables to a judge, the judge shall grant ex parte an order of seizure and possession, commanding the sheriff to seize the property and place the purchaser in actual possession.

Present law authorizes a purchaser to take actual possession without the order with the consent or acquiescence of the tax debtor or otherwise, provided no force or violence is used.

Present law prohibits a tax debtor who is an owner of and who is residing in the tax sale property from being subject to any eviction proceeding or a writ of possession pursuant to present law during the redemptive period.

Present law (R.S. 47:2231) provides that after the tax sale certificate is filed, the political subdivision may institute a suit in the district court of the parish in which the property is located to obtain possession of the adjudicated property. Authorizes the suit to be tried by summary proceeding and with costs of court being paid out of the first revenue received from the sale of the tax sale property.

Present law (R.S. 47:2231.1) prohibits a tax debtor who is an owner of and who is residing in the tax sale property adjudicated to a political subdivision from being subject to any eviction proceeding or suit to obtain possession pursuant to present law during the redemptive period.

Present law (R.S. 47:2158.1 and 2231.1) prohibits the acquiring person from charging any rental or lease payments from the owner or occupants and prohibits constructions and improvements during the redemptive period by the acquiring person to the tax sale property.

Further provides for a penalty for violations of present law payable by an acquiring person of 5% of the price paid by the acquiring person for tax title and 5% of any amounts paid by the tax debtor who is the owner of and who is residing in the tax sale property for rental or lease payments. The penalty shall accrue from the time the acquiring person took possession of the property until the time the property is redeemed.

Proposed law increases the penalties for violations of present law payable by an acquiring person from 5% of the price paid by the acquiring person for tax title and 5% of any amounts paid by the tax debtor who is the owner of and who is residing in the tax sale property for rental or lease payments to 20% of the price paid by the acquiring person for tax title and 20% of any amounts paid by the tax debtor who is the owner of and who is residing in the tax sale property for rental or lease payments. Otherwise retains present law.
