DIGEST

SB 360 Original

2024 Regular Session

Cloud

Proposed law prohibits speeding citations issued solely based on the make, model, license plate of the vehicle or as a result of data generated by an automated speed enforcement device.

Proposed law prohibits law enforcement officers, agents, contractors, or subcontractors of an agency, office, local municipality, local authority or any political subdivision of this state from issuing speeding citations to any one other than the actual driver of the vehicle.

Effective August 1, 2024.

(Adds R.S. 32:63.1)
