HOUSE CONCURRENT RESOLUTION NO. 25

BY REPRESENTATIVE BOURRIQUE

COASTAL RESOURCES: Approves the annual state integrated coastal protection plan for Fiscal Year 2025, as adopted by the Coastal Protection and Restoration Authority Board

1   A CONCURRENT RESOLUTION

2     To approve the annual state integrated coastal protection plan for Fiscal Year 2025, as  
3             adopted by the Coastal Protection and Restoration Authority Board.

4             WHEREAS, R.S. 49:214.5.1 et seq. creates the Coastal Protection and Restoration  
5     Authority Board (board) to represent the state's position in policy relative to the protection,  
6     conservation, enhancement, and restoration of the coastal area of the state through oversight  
7     of integrated coastal protection projects and programs; and

8             WHEREAS, R.S. 49:214.5.1 et seq. provides that the board shall develop, coordinate,  
9     make reports on, and provide oversight for the annual state integrated coastal protection  
10    plan; and

11            WHEREAS, R.S. 49:214.6.1 et seq. provides for the creation, duties, and  
12    responsibilities of the Coastal Protection and Restoration Authority (authority) as the  
13    implementation and enforcement arm of the board and that through its offices and officers,  
14    the authority shall be responsible for the implementation and enforcement of the annual state  
15    integrated coastal protection plan; and

16            WHEREAS, the annual state integrated coastal protection plan represents a state  
17    policy for protecting, conserving, enhancing, and restoring Louisiana's coastal area through  
18    the construction and management of integrated coastal protection projects and programs,  
19    including coastal protection and restoration projects and hurricane protection projects, which  
20    are projects that may require, without limitation, funding for associated measures such as the

1 beneficial use of dredged material, rehabilitation and repair of state restoration projects,  
2 environmental and regulatory compliance, acquisition of land easements, rights-of-way,  
3 relocations and disposal areas, maintenance programs, conservation and restoration  
4 partnerships, reserve fund contingencies, and other innovative programs, provided that such  
5 funding for associated measures shall be allocated to the projects based on priority status as  
6 identified by the annual state integrated coastal protection plan in order to more effectively  
7 respond to the ever-changing coastal crisis; and

8 WHEREAS, R.S. 49:214.8.1 et seq. requires that the annual state integrated coastal  
9 protection plan provided for in R.S. 49:214.2 include the annual basin plan for the  
10 Atchafalaya Basin and such annual basin plan is included as Appendix D to the annual state  
11 integrated coastal protection plan; and

12 WHEREAS, R.S. 49:214.5.3 requires that, as part of the development of the annual  
13 state integrated coastal protection plan, the board shall conduct not less than three public  
14 hearings in separate locations in the western, central, and eastern areas of the coastal area  
15 for the purpose of receiving comments and recommendations from the public and elected  
16 officials; and

17 WHEREAS, R.S. 49:214.5.3 also requires that at least two weeks prior to each public  
18 hearing, the board shall contact the parish governing authorities, regional flood protection  
19 authorities, levee districts, and the state legislators of the parishes in the coastal areas for the  
20 purpose of soliciting their comments and recommendations and notifying them of the public  
21 hearing to be held in their area; and

22 WHEREAS, R.S. 49:214.5.3 requires the board to receive written comments and  
23 recommendations until thirty days prior to the submission of the annual state integrated  
24 coastal protection plan to the legislative committees; and

25 WHEREAS, as required under the provisions of R.S. 49:214.5.3, the annual state  
26 integrated coastal protection plan adopted by the board shall be submitted to the House  
27 Committee on Natural Resources and Environment, the Senate Committee on Natural  
28 Resources, the House Committee on Transportation, Highways and Public Works, and the  
29 Senate Committee on Transportation, Highways, and Public Works, on or before the  
30 fifteenth day of the regular legislative session of each year; and

1           WHEREAS, these committees shall provide guidance for and approval of the annual  
2 state integrated coastal protection plan; and

3           WHEREAS, the annual state integrated coastal protection plan shall become  
4 effective and implemented upon approval of the annual state integrated coastal protection  
5 plan by a majority of both houses of the legislature, or if a majority of both houses of the  
6 legislature fails to disapprove the annual state integrated coastal protection plan by July 1,  
7 2024, it shall become immediately effective and implemented.

8           THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby  
9 approve the state's Fiscal Year 2025 annual plan for integrated coastal protection, as adopted  
10 by the Coastal Protection and Restoration Authority Board.

11           BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the  
12 chairman of the Coastal Protection and Restoration Authority Board.
