**EXPENDITURE EXPLANATION**

Proposed law will increase state expenditures by a maximum of \$64,800 SGF as a result of adding law enforcement officers whose agency is headquartered in Lake Charles to the list of public employees that receive state supplemental pay. Each eligible law enforcement officer would receive \$600 per month of \$7,200 annually (\$600 per month x 12 months). In FY 25, there are 9 full-time law enforcement officers whose agency is headquartered in Lake Charles. Under the proposed law, if all 9 law enforcement officers are eligible to receive supplemental pay, the cost would be \$64,800 annually (9 officers x \$7,200).

Proposed law will increase Local Funds expenditures by an indeterminable amount as state supplemental payments are included in the pensionable earnings used in the calculation of retirement benefits.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
