HB 316 Engrossed

2024 Regular Session

Larvadain

Abstract: Provides a 15-day period within which to file financial disclosure statements and affidavits for members and certain employees of the Gaming Control Board and the gaming enforcement division of the office of state police.

Present law requires members of the Gaming Control Board to file a financial disclosure statement listing all assets and liabilities, property and business interests, and sources of income of the member, the spouse of the member, and each minor child. Present law requires the financial disclosure statements of the board members to be filed prior to or at the time of confirmation.

Present law requires each employee or agent of the gaming enforcement division of the office of state police (except secretarial and clerical personnel) to file an affidavit affirming that the employee and the spouse of the employee do not have an economic interest in an applicant, licensee, or permittee. Present law requires the affidavit of the employees to be filed at the time of employment or appointment.

Proposed law retains present law but changes the filing deadline for the financial disclosure statements of the members and the affidavits of the employees to no later than 15 days from the time of confirmation, appointment, or employment, as applicable.
