4 provide for related matters.

5 Be it enacted by the Legislature of Louisiana:

6 Section 1. R.S. 8:908 is hereby enacted to read as follows:

7 §908. Abatement of public health or safety risks in abandoned cemeteries

8 A. A governing body of a municipal or parochial government may authorize
9 the use of that government's labor and resources to abate a public health or safety
10 risk of an abandoned cemetery when the cemetery is located within the jurisdiction
11 of the municipal or parochial government. The abatement of such risk shall take

15 of this Section, "abandoned cemetery" has the meaning ascribed to it in R.S. 25:933.

16 B. Nothing in this Section shall be interpreted to authorize the disturbance
17 of graves or the moving or removal of human remains. In the event that exposed
18 human remains are found during abatement activities, the municipal or parochial
19 government or a volunteer who is undertaking the abatement shall notify the
20 appropriate state authorities in accordance with R.S. 8:680. A municipal or parochial

1 government employee or volunteer shall notify the board during the course of an
2 abatement if the employee or volunteer finds that burials are continuing to be made
3 in an otherwise abandoned cemetery.

4 Section 2. This Act shall become effective upon signature by the governor or, if not
5 signed by the governor, upon expiration of the time for bills to become law without signature
6 by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If
7 vetoed by the governor and subsequently approved by the legislature, this Act shall become
8 effective on the day following such approval.
