Provides for certain processes relative to rate making. (8/1/24)

Proposed law changes the rate filing requirement for all lines of property and casualty insurance by requiring every insurer to file with the Commissioner of Insurance all rates, supplementary rate information, and all supporting information for risks and rates deemed approved unless the Commissioner notifies the insurer within 30 days (competitive market) or 60 days (noncompetitive market) from receiving the rate filing. Proposed law provides that if the Commissioner notifies the insurer that the rate filing is not approved, the most recent prior rate filed will become the effective rate. Under proposed law, if a rate filing is inadequate or unfairly discriminatory, the commissioner may direct the insurer to collect additional premiums to ensure that the rate is adequate or require the insurer to provide the insured a refund of any sums deemed to be discriminatory. Proposed law provides proposed law is not to be interpreted as to create a private cause of action.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Proposed law changes the rate filing requirement for certain property, casualty, and liability policies by requiring every insurer to file with the Commissioner of Insurance all rates, supplementary rate information, and all supporting information for risks. Furthermore, the proposed law deems the rates approved unless the commissioner notifies the insurer within 30 days (competitive market) or 60 days (noncompetitive market) from receiving the rate filing. This measure does not impact the workload within the LA Department of Insurance (LDI).

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
