- 13 (g) Area served.

14 (3) This Subsection shall not apply to the state Department of Education.

15 B.(1) The state Department of Education, hereinafter referred to in this
16 Section as the "department", shall submit a report in accordance with the provisions
17 of this Subsection to the Joint Legislative Committee on the Budget, hereinafter
18 referred to in this Subsection as "committee", regarding federal and state funding
19 allocated to providing mental health services within the department and schools
20 across the state, including traditional public schools, charter schools, and any
21 nonpublic school receiving such funding.

22 (2) The department shall create and update annually the Mental Health
23 Funding Transparency in Elementary and Secondary Education Report. The
24 department shall submit the report to the committee no later than the first meeting
25 of the committee after January 1st of each year. The information shall be on a form
26 as prescribed by the department and approved by the committee. The report shall
27 provide the funds spent by the governing authority of each traditional public school,
28 charter school, and nonpublic school, as applicable, for providing mental health
29 services and shall include, at a minimum, the following:

- 1 (a) Budget unit.
- 2 (b) School governing authority.

HB 846 Original

2024 Regular Session

Knox

Abstract: Requires reporting on funding for mental health services across state agencies and schools.

Proposed law provides for the division of administration (division) to submit information to the Joint Legislative Committee on the Budget (JLCB) regarding federal and state funding allocated to providing mental health services across state agencies (except for the Dept. of Education). Provides for the division to create the Mental Health Funding Transparency Report and to update the report annually. Requires the report to be submitted to JLCB no later than the committee's first meeting after Jan. 1st of each year. Further provides for the form of the report to be prescribed by the division and approved by JLCB.

Proposed law provides for the state Dept. of Education (department) to submit information to JLCB regarding federal and state funding allocated to providing mental health services in schools. Provides for the department to create the Mental Health Funding Transparency in Elementary and Secondary Education Report and to update the report annually. Requires

the report to be submitted to JLCB no later than the committee's first meeting after Jan. 1st of each year. Further provides for the form of the report to be prescribed by the division and approved by JLCB. Also requires the report to be submitted to the House Committee on Education and the Senate Committee on Education.

Proposed law authorizes JLCB to make studies and hearings to review the allocation of funds as provided in the reports.

Effective July 1, 2024.
