HB 953 Original

2024 Regular Session

Fontenot

Abstract: Provides relative to life safety and property protection requirements for certain building owners and conveyance devices in buildings and changes the effective date.

Present law requires the owner of any building containing life safety system equipment to annually inspect and certify the building and exempts conveyance devices of any building from the annual inspection and certification.

Present law requires the owner of a building with two stories occupied by a single tenant wherein employees of the tenant are regularly inside of the building to have at a minimum, a safety test of the building's conveyance device in five-year intervals, effective July 1, 2024.

Changes the effective date from July 1, 2024, to July 1, 2025.

Effective upon signature of governor or lapse of time for gubernatorial action.
