Present law (R.S. 29:288) provides for spouses and children of certain veterans who were killed in action, died during active service, died as a result of a service-connected disability, who are missing in action, or who are prisoners of war to receive a tuition and fee waiver at public postsecondary institutions. Present law provides that expenditures, during a period of college or university training, shall not exceed \$500 per year for each beneficiary nor shall the expenditures be available to the beneficiary for any period of more than four years to be completed in not more than five years. Proposed law retains present law but increases expenditures, during a period of college or university training, from \$500 to \$1,000 per year.

EXPENDITURE EXPLANATION

Proposed legislation is anticipated to increase annual expenses by \$100,000 SGF expenditures in the Department of Veterans Affairs, associated with educational benefits for children and spouses of qualified veterans. Proposed measure increases the educational benefit from \$500 to \$1000 per year while attending college or university training. There are approximately 200 beneficiaries that receive this benefit each year.

The \$100,000 increase for the Department of Veterans Affairs is calculated as follows:

Proposed law (200 beneficiaries x \$,1000 benefit = \$200,000)
 Current law (200 beneficiaries x \$500 benefit = \$100,000)
 \$100,000 Increase

REVENUE EXPLANATION
