2024 Regular Session

Bagley

Urges and requests the Louisiana State University (LSU) AgCenter and the Southern University Ag Center to jointly study and make recommendations on how sugarcane bagasse can be used to provide value-added economic benefits to sugarcane producers through investments by the private sector for uses such as soil amendments, animal feed, biofuels, industrial filters or absorbents, graphene production, or any other uses. Requires the Ag Centers to jointly submit a written report of its findings to the House and Senate agriculture committees by Feb. 1, 2025.
