**EXPENDITURE EXPLANATION**

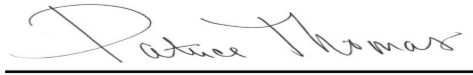

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Proposed law is a misdemeanor and does not assess a sentence of imprisonment for those convicted of its violation. Thus, governmental expenditures are not impacted as a result of this measure.

**REVENUE EXPLANATION**

Proposed law will likely result in an indeterminable increase in local revenues as a result of fines for those convicted of petitioning, picketing, demonstrating, or assembling with others within fifty feet of an individual's residence in a manner which interferes, disrupts, threatens to disrupt, or harasses an individual's right to control or use his residence. The exact fiscal impact of the passage of this legislation on local revenue is indeterminable because the amount in fines that would be imposed on those convicted may vary. The potential revenue will accrue to the local governing authority.
