Wiley

LIABILITY/CIVIL: Provides relative to civil liability protection for local governments concerning events on the Mississippi River levee

Synopsis of Senate Amendments

1. Makes a technical change.

Digest of Bill as Finally Passed by Senate

Present law provides that personal injury, wrongful death, and survivorship actions for damages against a sponsor shall be available if the sponsor fails to comply with a permit for bonfire presentation, failed to use the proper materials, negligently violated an order from the local authority, or committed a deliberate and wanton act or gross negligence, and the sponsor was the cause in fact of the injuries.

Proposed law changes present law to provide that no person shall have a cause of action against a sponsor unless the sponsor fails to comply with a permit for bonfire presentation, failed to use the proper materials, negligently violated an order from the local authority, or committed a deliberate and wanton act or gross negligence, and the sponsor was the cause in fact of the injuries.
