2024 Regular Session

SENATE RESOLUTION NO. 105

BY SENATOR ALLAIN

HUNTERS/HUNTING. Requests the Deptartment of Wildlife and Fisheries to study and make recommendations to manage alligator populations.

1	A RESOLUTION
2	To urge and request the Department of Wildlife and Fisheries and the Louisiana Wildlife
3	and Fisheries Commission, in consultation with the Alligator Advisory Council, to
4	study and make recommendations regarding the management of the state's alligator
5	populations.
6	WHEREAS, during the mid-20th century, unregulated hunting and habitat
7	destruction pushed the American alligator to the edge of oblivion; and in response, Louisiana
8	implemented stringent conservation measures, including hunting bans, habitat restoration
9	projects, and breeding programs; and
10	WHEREAS, Louisiana's conservation efforts have been pivotal in resurrecting the
11	species from the brink of extinction to a thriving population today and restoring balance to
12	the state's wetland ecosystems; and
13	WHEREAS, the success of these conservation efforts have led to new challenges;
14	the resurgence of the alligator population in Louisiana has resulted in human-wildlife
15	conflicts, with increasing reports of alligator attacks on pets, livestock, and even humans;
16	and
17	WHEREAS, with this conservation success, there is a real need to reconsider
18	management strategies and find a delicate balance between protecting the species, wildlife

SR 105 Original

WHEREAS, to address the growing issue of alligator overpopulation, various management techniques, including reducing the percentage of live alligators returned to the wild from participants in the alligator egg collection program, increasing the number of alligator tags issued, hunting seasons, and the methods in addressing nuisance alligators need to be thoroughly examined with the aim to regulate the alligator population and maintain a healthy balance in the wetland ecosystems while minimizing conflicts between humans and wildlife.

THEREFORE, BE IT RESOLVED that the Senate of the Legislature of Louisiana does hereby urge and request the Department of Wildlife and Fisheries and the Louisiana Wildlife and Fisheries Commission, in consultation with the Alligator Advisory Council, to study and make recommendations regarding the management of alligator populations and to provide a report with findings and recommendations to the Senate Natural Resources Committee on or before February 14, 2025.

BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the secretary of the Department of Wildlife and Fisheries and the chairman of the Louisiana Wildlife and Fisheries Commission.

The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Tyler S. McCloud.

DIGEST 2024 Regular Session

Allain

Requests the Dept. of Wildlife and Fisheries and the La. Wildlife and Fisheries Commission, in consultation with the Alligator Advisory Council, to study and make recommendations regarding the management of the state's alligator populations.
