10 G. A licensed hunter or tracker may pursue a deer that was legally shot and  
11 mortally wounded and dispatch the deer if the deer is found alive. Except in wildlife  
12 management areas, the licensed hunter or tracker pursuing the mortally wounded  
13 deer may utilize lights and a blood-trailing or tracking dog. No more than one dog  
14 may be used per tracking party in pursuit of the wounded deer, however a second  
15 dog may be utilized for the purpose of deer retrieval training. Tracking dogs shall  
16 be on a handheld leash or utilize a GPS tracking collar. Any mortally wounded deer,  
17 discovered alive after legal hunting hours, may be dispatched by the licensed hunter  
18 or tracker by using a centerfire handgun with a barrel no longer than six inches,  
19 caliber no larger than .45 or smaller than .25. The licensed hunter or tracker may  
20 pursue a mortally wounded deer onto private property only if he has received verbal  
21 or written permission from the landowner. ~~Except in wildlife management areas, a~~  
22 ~~leashed dog may be used to trail and retrieve wounded or unrecovered deer during~~
