Digest of Bill as Finally Passed by Senate

Present law (R.S. 32:900(A)) provides that a "Motor Vehicle Liability Policy" means an owner's or operator's policy of liability insurance certified under present law is issued by an insurance carrier duly authorized to transact business in this state.

Proposed law provides an exception to present law that allows for an owner of a vehicle registered in this state who obtains a valid motor vehicle liability policy issued in another state to have his policy be deemed valid proof of financial responsibility in this state.
