Subject: Penalties for Simple Obstruction of a Highway of Commerce		

CRIMINAL/PENALTIES REF SEE FISC NOTE SG EX Page 1 of 1
 Provides relative to the penalties for the crime of simple obstruction of a highway of commerce

Current law provides that definition of the crime of simple obstruction of a highway of commerce; mandates a fine of not more than \$200 or imprisonment for not more than 6 months, or both, for conviction of simple obstruction of a highway of commerce. Proposed law retains current law and adds a definition of simple obstruction of a highway of commerce as the conspiracy or aiding and abetting of other individuals to commit the intentional or criminally negligent placing of anything or the intentional or criminally negligent performance of any act on any railway, railroad, navigable waterway, road, highway, thoroughfare, or runway of an airport, which will render movement thereon more difficult; increases the fine to no more than \$750 for those convicted; does not apply to an employee or contractor of any public utility or provider of electric utility services, communications, telecommunications, video, or information services, to the extent either acts on behalf of the entity in a road, highway, or thoroughfare.

EXPENDITURE EXPLANATION

Proposed law may result in an indeterminable increase in Local Funds expenditures for local governing authorities if a person is convicted of simple obstruction of a highway of commerce. Proposed law expands the definition of the crime of simple obstruction of a highway of commerce to the conspiracy or aiding and abetting of other individuals to commit the intentional or criminally negligent placing of anything or the intentional or criminally negligent performance of any act on any railway, railroad, navigable waterway, road, highway, thoroughfare, or runway of an airport, which will render movement thereon more difficult. Proposed law has the effect of expanding the circumstances under which violations of current law can occur. The exact fiscal impact of the passage of this legislation to local governing authorities is indeterminable, since it is not known how many people will be convicted, nor the length of the sentences assessed as a result of its potential enactment. The maximum imprisonment term at the local level is no more than six months.

There is no anticipated direct material effect on state governmental expenditures as a result of this measure because this legislation expands the definition of a misdemeanor offense; therefore, these offenders are not sentenced to the Department of Public Safety & Corrections - Corrections Services (DPS&C).

REVENUE EXPLANATION

Proposed law may result in an indeterminable increase in local revenues as a result of convictions of simple obstruction of a highway of commerce. The exact fiscal impact of the passage of this legislation on local revenue is indeterminable because the fines that would be imposed on those convicted are optional, and the amount of the fines, if imposed, may vary. The potential revenue will accrue to the local governing authority.
