EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The proposed law permits the court to order an immediate expungement of a person otherwise eligible for an expungement upon the successful completion of a court-ordered probation or alternative sentencing program. The LFO presumes that the number of expungements that would be processed would not be impacted by the enactment of proposed law's provision creating an immediate expungement, and that any potential increase in workload can be absorbed using existing resources.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
