

RÉSUMÉ DIGEST

ACT 303 (SB 160)

2024 Regular Session

Owen

Existing law requires a physician assistant licensed in Louisiana to submit notification of intent to practice to the Louisiana State Board of Medical Examiners along with information regarding the physician assistant's supervising physician.

Existing law requires the physician assistant to notify the board of any changes in or additions to his supervising physicians.

New law increases the time frame to notify the board from 15 days to 30 days from the date of the change.

Effective August 1, 2024.
