

RÉSUMÉ DIGEST

ACT 34 (SB 117)

2024 Regular Session

Jackson-Andrews

New law creates the Agricultural Meteorology Program within the Dept. of Agriculture and Forestry.

New law provides that the legislature finds that federal programs of disaster assistance rely on meteorological data.

New law provides that the purpose of the program is to collect and transmit weather statistics and meteorological data to federal and state agencies.

Effective May 13, 2024.
