

## RÉSUMÉ DIGEST

**ACT 529 (SB 469)**

**2024 Regular Session**

**Price**

Existing law authorizes the governing authority of Ascension Parish to create special taxing districts for funding new residential road infrastructure development only.

New law retains existing law.

Existing law provides that the district may finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain systems, facilities, and basic road infrastructures for the following:

- (1) Bridges or culverts that may be needed across or in any drain, ditch, canal, floodway, holding basin, excavation, public highway, tract, grade, fill, or cut, and roadways over levees and embankments, and may construct any and all of such works and improvements across, through, or over any public right-of-way, highway, grade, fill, or cut.
- (2) District roads equal to or exceeding parish specifications and street lights.

New law retains existing law and adds drainage facilities within the scope of projects that fall under the districts powers.

Existing law provides that existing law shall cease to be effective on August 1, 2024.

New law repeals the August 1, 2024 termination date of existing law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
