

RÉSUMÉ DIGEST

ACT 309 (SB 198)

2024 Regular Session

Kleinpeter

Existing law (R.S. 18:453) provides that a person shall not become a candidate in a primary or general election for more than one office unless one of the offices is membership on a political party committee.

Existing law further provides that a person shall not be a candidate at the same time for two or more different offices to be filled at separate elections.

New law provides an exception to existing law for a senator or representative in the United States Congress who has been nominated as a candidate for president or vice president of the United States and allows that member to become a candidate for either office in addition to being a candidate for the office the member currently holds.

Effective May 28, 2024.
