

## RÉSUMÉ DIGEST

ACT 612 (HB 383)

2024 Regular Session

Galle

New law provides that no pedestrian illegally blocking a roadway shall have a cause of action against the operator of a motor vehicle for any injury, death, loss, or damage resulting from any act or omission by the operator of the vehicle if such injury, death, loss, or damage is caused by the operator's use of force with his vehicle.

New law provides that the operator may use force with his vehicle in order to retreat or escape from the pedestrian illegally blocking the roadway if the operator reasonably believes that he or his passengers are in immediate danger of death, bodily injury, or serious bodily harm.

Effective August 1, 2024.
