

RÉSUMÉ DIGEST

ACT 344 (SB 402)

2024 Regular Session

Duplessis

Existing law provides that certain persons may present a written and oral victim impact statement to the court.

New law retains existing law and provides that the court must allow a person presenting a victim impact statement to direct the statement toward the defendant, unless doing so disturbs the order and decorum of the courtroom.

Effective August 1, 2024.
