

RÉSUMÉ DIGEST

ACT 249 (HB 148)

2024 Regular Session

Glorioso

Existing law provides relative to the disposal of public, immovable property, including streets, roads, and alleys, no longer needed for public use in the parishes of East Baton Rouge, Jefferson, and St. Tammany, and the cities of Baton Rouge, New Orleans, Slidell, and municipalities in Jefferson Parish.

Existing law prohibits the governing authority of St. Tammany Parish from disposing of immovable property pursuant to existing law unless the parish has held such property for at least 10 years. Provides that the disposal of immovable property pursuant to existing law by the governing authority of St. Tammany Parish shall not have the effect of denying public access to the property.

Prior law provided that both of these limitations on disposal of property by St. Tammany Parish also applied to Slidell. New law removes prior law.

Effective August 1, 2024.
