

RÉSUMÉ DIGEST

ACT 134 (HB 519)

2024 Regular Session

Farnum

Existing law provides for the payment of deputy marshal salaries exclusively by the local governing authority of the city or parish, or both, where the court is located.

New law provides for the payment of deputy marshal salaries by the local governing authority of the city or cities or parish, or all governing authorities, where the court has territorial jurisdiction.

Existing law provides that the marshals of city courts shall be paid by the governing authorities of the city and parish where the court is located.

New law provides that the marshals of city courts shall be paid by the governing authorities of the city or cities or parish, or all governing authorities, where the court has territorial jurisdiction.

Existing law provides that the city where the court is situated shall furnish a suitable city court room and suitable offices for the judge, clerk, and marshal.

Existing law provides that the expenses of operation and maintenance of the court room and offices shall be borne by the city, or may be apportioned between the city and parish as the respective governing authorities may determine.

New law provides that the necessary expenses of operation and maintenance of the court and office shall be borne by the city or cities or parish, or all governing authorities, as determined by the respective governing authorities.

Effective August 1, 2024.

(Amends R.S. 13:1881(B), 1883(A)(intro. para.), (B), and (C), and 1889(A) and (B))
