

RÉSUMÉ DIGEST

HR 3

2024 Regular Session

Zeringue

Continues and reestablishes the Judicial Structure Task Force to study the caseload data and the number of judges of each appellate court and district court, to determine the changes necessary to the existing structure of the judiciary and the most efficient use of judicial resources, and to report its findings and recommendations to the House Committee on Appropriations and the House Committee on Judiciary no later than Feb. 1, 2025.
